

Entryway / Front Door / Keys & Mail Interview

Practice Questions

(answer truthfully; don't guess if unsure).

1) Basic entry setup

- Is the main entrance a house front door or an apartment building entrance + unit door?
- Which floor is the unit on? Is there an elevator or stairs?
- When you come in, what's immediately on the left/right (shoe rack, closet, table)?
- Do you enter directly into the living room, hallway, or a small foyer?

2) Front door details

- What color is the front door (inside and outside)?
- Is it wood or metal?
- Does it have a peephole, chain lock, or doorbell?
- What kind of handle is it (knob vs lever)?
- Is there a welcome sign, wreath, or decoration on the door?

3) Locks and keys

- How many locks are on the door (deadbolt + knob lock)?
- Do you use a key, keypad, fob, or smart lock?
- Who has keys? How many copies exist?
- Where are spare keys kept (with a friend, lockbox, hidden spot)?
- If there's a building key + unit key: which key is which and who carries what?

4) Building entry system (if apartment/condo)

- Is there an intercom/buzzer system? Where is it located?
- How do guests get in (buzzer, doorman, call box, app)?
- What name is listed on the building directory?
- Is entry by keypad code, fob, or physical key?
- Is there a camera at the building entrance?

5) Doormat, shoes, and what's by the door

- Do you have a doormat outside? Color/design?
- Any mat inside too? Color/shape?
- Do you have a shoe rack? Where is it exactly? How many shoes fit?
- Where do everyday shoes go vs special shoes?
- Any umbrella stand? Where is it?

- Any small bench, hooks, or entry table?

6) Coats, bags, and daily grab-and-go items

- Where do coats/jackets go (coat closet, hooks, bedroom closet)?
- Where do you put bags/backpacks when you come in?
- Where do you keep umbrellas, hats/gloves, dog leash (if any), sunglasses?
- Do you have a drop-spot table/bowl?

7) Keys routine

- Where do keys go when you come home (hook, bowl, drawer, counter)?
- Who usually carries the keys?
- Do you ever lock yourself out? When was the last time?
- If you have car keys + house keys: are they on the same keychain?

8) Mail routine

- Where do you receive mail (mailbox outside, lobby boxes, mail slot in door)?
- Who checks mail most often and when?
- Where is the mailbox located (lobby wall, outside near entrance, etc.)?
- Does the mailbox use a key? Who has it?
- Where does mail go after it comes inside (counter, entry table, kitchen)?
- Do you sort mail immediately or let it pile up?
- Where do important letters get stored?

9) Packages and deliveries

- Where do packages usually get left (front steps, lobby, package room)?
- Do you ever use Amazon lockers or pickup points?
- Have packages ever been stolen/misdelivered? What happened?
- Do you have delivery instructions saved (buzzer code, “leave at door”)?

10) Safety and home habits

- Do you keep the door locked all the time or only at night?
- Who usually locks up?
- Do you have a security camera/doorbell camera? Where is it?
- Do you know your neighbors (names or just “the couple upstairs”)?

11) Small details that sometimes get asked

- Any sign on the door (apartment number, name tag)?
- Any seasonal decor on the entryway table?
- Any air freshener near the entrance?
- Any clutter spot (shoes pile, recycling, boxes)?

12) Last-week reality checks

- When was the last time you checked the mail?
- What was the last piece of mail you remember getting (bill, ad, letter)?
- Did you get any packages recently? What was it and who ordered it?
- Who used the keys last night / who locked the door?
- What time did you come home yesterday and how did you get in?

Tip: If you're not sure about a detail, it's better to say "I don't remember exactly" than to guess.
