

Family, In-Laws & Social Circle — Interview Practice Questions

(answer truthfully; don't guess if unsure).

1) Parents and close family (who is who)

- Who are each of your parents/guardians (names if relevant) and where do they live (general area/city)?
- Do you have siblings? Names/rough ages (if relevant)?
- Who are the closest relatives you interact with most often (parents, siblings, cousins)?

2) Communication with each other's parents

- How often do you talk to your spouse's parents (daily/weekly/monthly/holidays)?
- How do you communicate (phone calls, text, WhatsApp, FaceTime)?
- Who usually initiates contact—your spouse or you?
- Do you have group chats with family members? Which ones?

3) Visits and in-person time

- Do you visit your spouse's parents? How often?
- Do they visit you at your home? How often and usually for what occasions?
- When was the most recent visit with each set of parents? Where did it happen?
- Do you usually stay overnight when visiting family? Where do you sleep (guest room, couch, hotel)?

4) Holidays and family traditions with in-laws

- Which holidays do you typically spend with family vs at home?
- Do you alternate between families for major holidays? How does that work?
- Are there any family traditions you participate in (church, big dinner, special foods)?
- Who hosts holidays most often (your family, spouse's family, you)?

5) Social media and online presence

- Do you have each other on social media (Facebook, Instagram, etc.)?
- Are you listed as married/relationship status online (if applicable)?
- Do your families interact online (likes/comments, group posts, messages)?
- Have you posted photos together? About when was the most recent one?
- Do you share photos with family through text/WhatsApp/album links?

6) Friends and social circle as a couple

- Who are your closest friends as a couple (first names are enough)?
- Do you have any couple friends you see regularly? How often?
- Where do you usually hang out with friends (home, restaurants, events, church)?
- Do you have mutual friends you both knew before the relationship, or mostly new friends together?

7) Community ties and social activities

- Do you belong to any community groups (church, sports league, volunteer group)?
- Do you attend events together (services, birthdays, gatherings)? How often?
- Who do you usually invite over to your home (friends/family) and how often?

8) Support network and emergencies

- If you needed help (ride, childcare, emergency), who would you call first?
- Who is your spouse's closest family support person?
- Do you have neighbors you're friendly with? Do you know any by name?

9) Relationship with in-laws (keep factual)

- Would you say your relationship with in-laws is close, normal, or distant?
- Any barriers to communication (distance, language, work schedules)?
- How do you handle disagreements or awkward moments with family (if any)?
- Do you communicate directly with in-laws or mostly through your spouse?

10) "Reality check" questions (recent and specific)

- When was the last time you spoke to your spouse's parents and what was it about (general topic)?
- When was the last time you visited them (approx date/season) and for what reason?
- Who was the last friend you saw together and where did you go?
- Any recent family message thread you can point to (group chat, holiday planning)?

Tip: Keep answers simple and consistent (how often you call/visit, where family lives generally). If you're unsure about a date, use "around" and verify with texts/photos if needed.
