

Home Office / Desk Area: Interview Practice Questions

(answer truthfully; don't guess if unsure).

1) Does an office/desk area exist and where is it?

- Do you have a dedicated home office, or just a desk area (corner of bedroom/living room)?
- Which room is it in, and where exactly (near window, against which wall)?
- What's the first thing you see when you walk up to the desk?

2) Desk + chair details

- What type of desk is it (writing desk, standing desk, L-shaped)?
- Desk color/material (black, white, wood, glass)?
- Does it have drawers? How many, and what's in each?
- Chair type (office chair, dining chair, gaming chair)? Color?
- Any desk mat, keyboard tray, or footrest?

3) Laptop/PC + monitor setup

- Do you use a laptop, desktop, or both?
- Brand/model (if known) and color of the laptop/PC.
- Do you use a monitor? How many monitors? Approx size?
- Monitor brand (if known), and is it on a stand or mounted arm?
- Keyboard/mouse: wired or wireless? Where are spare batteries/chargers?
- Any webcam, headset, microphone, or ring light? Where is it stored?

4) Printer/scanner and paper supplies

- Do you have a printer? Where is it located (desk, shelf, nearby table)?
- Printer brand/type (inkjet/laser) if known.
- Where is paper stored?
- Where do you keep extra ink/toner?
- Do you scan documents? If yes, how (printer scanner, phone app)?

5) Bills, mail, and important documents

- Where do you open mail (desk, kitchen counter)?
- Where do you keep bills after opening them (folder, drawer, tray)?
- Do you keep a filing system? Where is it (file cabinet, desk drawer, binder)?
- What kinds of documents are stored there (lease, insurance, bank papers, medical)?
- Do you keep any important documents in a safe/lockbox? Where is it located?

- Do you shred documents? Where is the shredder (or where do you shred)?

6) Office supplies + small items

- Where do you keep pens/pencils (cup, drawer)?
- Do you have notebooks, sticky notes, stapler, tape? Where are they?
- Where do you keep envelopes/stamps?
- Any business cards, checkbook, or receipts stored here?

7) Internet/Wi-Fi setup

- Where is the Wi-Fi router/modem located (near desk, living room, closet)?
- Who pays for the internet bill?
- Do you remember the provider name (Xfinity, Verizon, etc.)?
- Any Ethernet cable running to the desk?

8) Work schedules + daily routine

- Who uses the desk area more often?
- Typical work days and hours (weekdays/weekends, mornings/nights)?
- Do you work from home regularly or occasionally?
- Do you have a work calendar on the wall, planner, or mostly phone calendar?
- Where do you keep your to-do list (notebook, app, sticky note)?

9) Shared vs separate accounts and devices (only if relevant)

- Do you share the computer or keep separate devices?
- If shared: do you have separate user profiles/logins?
- Who manages online accounts for bills (rent, utilities)?
- Where do you keep passwords (password manager, notebook, saved in browser)?

10) What's on the desk right now

- What items are on top of the desk right now (be specific and truthful)?
- Any framed photo, decoration, plant, candle?
- Any clutter pile—where is it and what's usually in it?

11) Documents and paper-habit details

- Do you keep receipts? Where do they go?
- Do you file documents immediately or later?
- Where do you store: tax documents, pay stubs, insurance letters?
- When was the last time you printed something? What was it?

12) Last-week reality-check questions

- When did you last sit at the desk and what were you doing?

- What was the last bill handled from this area?
- What was the last package/mail opened here?
- Who used the printer last (if you have one)?

Tip: If you're not sure about a detail, it's better to say "I don't remember exactly" than to guess.
