

Bedroom Interview Practice Questions

(answer truthfully - do not guess if unsure).

How many bedrooms and who uses which

- How many bedrooms are in the home/apartment?
- Which bedroom do you two sleep in (master, front/back, left/right from hallway)?
- Do you use any other bedroom as an office, guest room, or storage?
- If there is a guest room, who last slept there and when?

Room layout and first-impression details

- Describe the bedroom layout - what do you see first when you walk in?
- Where is the bed positioned (against which wall)?
- Where is the closet in relation to the bed?
- Where are the windows in relation to the bed?
- Is there a bedroom door lock? Do you use it?

The bed (size, frame, bedding)

- What size is the bed (twin, full, queen, king)?
- What type of frame/base is it (platform, metal frame, sleigh bed, adjustable base)?
- What color/material is the headboard (if any)?
- Does the bed have built-in drawers underneath? If yes: how many, which side(s), and what is stored in them?
- Do you use a mattress topper? What kind (foam, cooling gel, etc.)?
- What kind of pillows do you have (memory foam, feather, regular)? How many pillows total?
- What color/pattern are the sheets currently?
- What color/pattern is the comforter/duvet (and duvet cover if used)?
- Do you use any extra blanket (throw, fleece, weighted blanket)?
- Who usually makes the bed?
- How often do you change/wash bedsheets?
- Where is dirty laundry placed (hamper/basket) and where is it located?

Sides of the bed

- Which side does each person sleep on (left/right when facing the bed)?
- Has that ever changed? If yes, when and why?
- Who wakes up first normally?
- Who gets out of bed first (and from which side)?

Nightstands, drawers, and what is inside

- Do you have one or two nightstands?
- What color/material are they?
- What is on top of each nightstand right now (lamp, charger, water bottle, lotion, etc.)?
- What is inside the drawers (only what is true): meds/vitamins, receipts/documents, hair ties, moisturizer, spare chargers, etc.?
- Where do you keep wallets/keys at night?
- Where do you keep glasses/contacts?
- Where do you keep books/journals?
- Where do you keep remote controls (if any)?

TV and electronics in the bedroom

- Is there a TV in the bedroom?
- If yes: approximate size and brand, and is it mounted or on a dresser?
- What device is used (Roku/Firestick/cable box) and who primarily uses it?
- What do you typically watch in the bedroom?
- Any speakers, soundbar, or gaming console in the bedroom?
- Where do you charge phones overnight (which outlet, which side of the bed)?
- Do you use smart home devices (Alexa/Google Home) in the bedroom? Where is it placed?

Alarm and wake-up routine

- Do you use an alarm clock or phone alarm?
- Whose alarm is set most often?
- What time is the alarm usually set for weekdays and weekends?
- If there is a clock: where is it located, who bought it, and when?
- Do you use snooze? Who snoozes more often?

Clothing storage (closet, dresser, organization)

- Do you have a closet, dresser, or both?
- Describe the closet doors (sliding/hinged) and what is inside (hanging clothes, bins, etc.).
- Who uses which side of the closet?
- Dresser details: how many drawers, and who uses which drawers?
- Where do you keep socks/underwear/tee shirts/work clothes?
- Where do you keep coats/jackets?
- Where do you keep shoes?
- Where do you keep belts/ties/jewelry/watches?
- Any safe/lockbox? Where is it kept?

Shoes, slippers, and what is on the floor

- Do you wear slippers/bedroom sandals? What type/color?
- Where are slippers kept during the day?
- Where do shoes go when you come into the bedroom?

- Is there a regular place for a laundry pile (chair, corner, basket)?

Floor, rugs, and cleaning habits

- Is the bedroom carpet or hardwood/laminate?
- If there is a rug: where is it (beside bed, under bed, near closet), color/pattern, and approximate size?
- Who vacuums/sweeps and how often?
- Any shoe-free rule in the bedroom?

Windows, curtains/blinds, and lighting

- How many windows are in the bedroom?
- Do the windows slide up/down or side-to-side?
- Curtains or blinds? What color/style (blackout, sheer, etc.)?
- Who opens/closes them most often?
- Lighting: ceiling light or lamps? How many lamps and where?
- Do you use warm/white bulbs or smart bulbs?

Decor and personal items

- What is on the walls (photos, art, mirror)? Describe 1-2 items.
- Any stuffed animals on the bed? If yes: what kind, where it sits, who it belongs to.
- Any plants (real or fake) in the room? Where are they placed?
- Any books in the room (nightstand/shelf)? Name a couple you actually have.
- Any religious items, candles, diffuser, humidifier, or special keepsakes?

Bathroom connection (if bedroom has one)

- Is there an attached bathroom?
- If there are two sinks: who uses which one?
- Where do towels go? Who hangs them?
- Who typically showers first and when?

Night routine and morning routine (bedroom-specific)

- What is your typical bedtime routine (TV, phone, reading, etc.)?
- Where do you put clothes for tomorrow?
- Do you sleep with the door open or closed?
- What do you do first when you wake up?

Last week reality-check questions

- What color were the sheets last week (before the current set)?
- When was the last time you washed bedding?
- What did you watch most recently in the bedroom (if there is a TV)?
- Did anyone sleep on the couch or in another room recently? Why?
